

Cold Falling White: The Nahx Invasions

Book Description

In the distant future, humanity has spread to the stars, colonizing new worlds and forging a vast interstellar empire. But their peace is shattered by the arrival of the Nahx, a relentless alien horde bent on conquest. As the Nahx swarm across the galaxy, consuming planets and enslaving civilizations, humankind faces its greatest existential threat.

In the face of overwhelming odds, a small group of heroes emerges to lead the fight against the invaders. Captain Jack Edwards, a brilliant tactician and hardened space veteran, must rally his crew and devise a strategy to turn the tide of war. Dr. Sarah Jones, a brilliant scientist, races against time to develop new technologies that can give humanity an edge in battle. And Private First Class Anya Petrova, a young soldier haunted by her past,

must overcome her fears and become a symbol of hope for her beleaguered people.

As the war rages across the galaxy, the fate of humanity hangs in the balance. Can Captain Edwards, Dr. Jones, and Private Petrova lead their people to victory against an unstoppable enemy? Or will the Nahx crush all resistance and plunge the galaxy into eternal darkness?
