In the year 1212, Europe was in the midst of the Crusades, a series of religious wars between Christians and Muslims. In the midst of this turmoil, a group of young people set out on a journey to Jerusalem to liberate the Holy Land. This journey, known as the Children's Crusade, was one of the most extraordinary and tragic events in history.

Crusade by Elizabeth Laird is a gripping historical novel that follows the journey of three young people who participate in the Children's Crusade. William is a young boy from England who is inspired by a vision of Jesus to join the crusade. Anaïs is a young girl from France who is fleeing an arranged marriage. Nicholas is a young monk from Germany who is seeking a life of adventure.

As the three young people travel across Europe, they encounter a variety of challenges. They are met with skepticism and hostility from adults, and they face the dangers of starvation, disease, and violence. But they also find moments of hope and joy, and they forge unbreakable bonds of friendship.

When the children finally reach Jerusalem, they are met with a terrible fate. The city is under siege by the Muslims, and the children are forced to fight

for their lives. Many of them are killed, and the survivors are sold into slavery.

Crusade is a powerful and moving story about the power of faith, the courage of young people, and the tragedy of war. Elizabeth Laird's vivid prose brings the events of the Children's Crusade to life, and her characters are unforgettable.

Praise for Crusade

"A powerful and moving story about the power of faith, the courage of young people, and the tragedy of war." - The New York Times

"A gripping historical novel that will stay with you long after you finish it." - The Washington Post

"A must-read for fans of historical fiction." - The Guardian
