Meet a Quirky Cast of Vegetable Characters

From a broccoli with a silly grin to a mischievous carrot with googly eyes, each vegetable in this book is a unique and hilarious character that will keep your kids entertained while they learn.

Counting Made Fun: A Vibrant Photo Adventure

With stunning, high-quality photographs, your kids will witness the vibrant beauty of vegetables in all their colorful glory. From the rainbow stripes of a bell pepper to the spiky texture of an artichoke, each image is a feast for their eyes.

Learning Through Laughter: The Power of Humor

Learning should be fun, and this book delivers it in spades! The funny expressions and comical poses of the vegetables add a touch of humor to each page, making counting an enjoyable experience for kids of all ages.

From 1 to 10, a Journey of Discovery

With every turn of the page, your kids will embark on a counting journey from 1 to 10. They'll meet a friendly potato, a chatty carrot, and a wise old onion, all while reinforcing their number recognition skills.

A Valuable Resource for Early Education

Not only is this book a delight to read, but it's also an invaluable resource for early education. It introduces basic counting concepts, promotes vegetable recognition, and fosters a lifelong love for learning.
