## A Monument to Saint Joseph

The Oratory was conceived in the late 19th century by Saint André Bessette, a humble and devout priest with an unwavering devotion to Saint Joseph, the foster father of Jesus. Bessette, who was canonized as a saint in 2010, dedicated his life to providing spiritual and medical care to the poor and marginalized of Montreal.

In response to the growing number of pilgrims seeking his guidance, Bessette embarked on the audacious project of building a basilica dedicated to Saint Joseph. The cornerstone was laid in 1904, and construction continued for over 40 years, relying heavily on donations from the faithful.
