## About the Book

In her highly anticipated new book, *If Ain't Got You*, acclaimed author and cultural critic Carla Peterson embarks on a thought-provoking journey to untangle the complexities of identity, authenticity, and the human desire to belong. Through personal anecdotes, historical examples, and incisive analysis, Peterson challenges conventional notions of race, gender, and sexuality, inviting readers to question their own assumptions and embrace a more nuanced understanding of what it means to be truly free.

Drawing on her own experiences as a Black woman in America, Peterson explores the ways in which our identities are shaped by the intersection of multiple factors, including our race, gender, class, and sexual orientation. She argues that there is no such thing as a single, authentic self, but rather that our identities are constantly evolving and being reconstructed in response to our experiences with the world around us.

Peterson also challenges the idea that we must conform to societal expectations in order to be accepted. She argues that authenticity is about being true to oneself, even if that means going against the grain. She encourages readers to embrace their unique experiences

and perspectives, and to find a sense of belonging in communities that value diversity and inclusion.

### **Praise for *If Ain't Got You***

"Carla Peterson's *If Ain't Got You* is a must-read for anyone who has ever struggled with questions of identity, authenticity, and belonging. Peterson's writing is incisive, provocative, and ultimately hopeful. She challenges us to think critically about the ways in which we have been socialized to think about ourselves and others, and she offers a vision of a more just and equitable world." - Robin DiAngelo, author of *White Fragility*

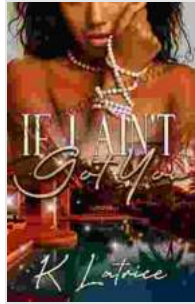

"Carla Peterson is one of the most important voices in our national conversation about race, gender, and sexuality. In *If Ain't Got You*, she tackles some of the most challenging questions of our time with honesty, intelligence, and compassion. This book is a must-read for anyone who wants to understand the complexities of identity and the power of belonging." - Roxane Gay, author of *Bad Feminist*

### **About the Author**

Carla Peterson is an acclaimed author, cultural critic, and professor of African American studies. She is the author of several books, including *Black Gotham: The Making of Modern Black America* and *The Ethics of Identity*. Peterson's work has been featured in numerous publications, including *The New York Times*, *The Washington Post*, and *The Guardian*.
