My Poems by Eric Luper is a collection of heartfelt and thought-provoking poems that explore themes of love, loss, nature, and the human condition. Luper's poems are beautifully crafted, with a keen eye for detail and a deep understanding of the human heart.

The poems in this collection are divided into four sections:

- **Love:** Poems about the joys and sorrows of love, from the first flush of new romance to the pain of heartbreak.
- **Loss:** Poems about the death of loved ones, the loss of innocence, and the loss of hope.
- **Nature:** Poems about the beauty and wonder of the natural world, from the gentle breeze to the crashing waves.

- **The Human Condition:** Poems about the struggles and triumphs of the human condition, from the despair of poverty to the joy of human connection.

Luper's poems are honest and unflinching, but they are also full of hope and beauty. He writes about the pain of loss, but he also celebrates the joy of life. He writes about the darkness of the human condition, but he also believes in the power of love and redemption.

My Poems is a powerful and moving collection of poems that will stay with you long after you finish reading it. Luper is a gifted poet with a unique voice and a deep understanding of the human heart. I highly recommend this book to anyone who loves poetry or who is looking for a thought-provoking and emotionally resonant read.
