A Book Review

The Struggle to Protect Wild Places is a powerful and moving book that tells the story of the fight to save our planet's most precious ecosystems. Author Douglas Chadwick takes us on a journey through some of the most beautiful and endangered places on Earth, from the rainforests of the Our Book Library to the mountains of the Himalayas. Along the way, we meet the people who are fighting to protect these places, and we learn about the challenges they face.

Chadwick's writing is both lyrical and informative. He has a deep love for the natural world, and he conveys that love to the reader in every page. He also has a keen eye for detail, and he brings the places he visits to life with his vivid descriptions. The result is a book that is both beautiful and thought-provoking.

The Struggle to Protect Wild Places is a timely and important book. It is a reminder of the beauty and fragility of our planet, and of the need to protect it. Chadwick's book is a call to action, and it is one that we should all heed.

About the Author

Douglas Chadwick is an award-winning author and conservationist. He has written over twenty books about the natural world, including *The Wolverine Way*, *The Grandest Place*, and *Animal People*. Chadwick is a Fellow of the Explorers Club and a recipient of the John Burroughs Medal for nature writing.
